Jaguar Car Club Of WA (Inc.) Membership Application Form

About JCCWA

The Jaguar Car Club of Western Australia (JCCWA) was established in 1966 and has been developing and expanding ever since.

While Perth is one of the most isolated cities in the world, it boasts one of the highest per capita Jaguar ownership rates, along with internationally acknowledged Jaguar authorities and authors.

Isolation does not dampen our enthusiastic members' passion for fun and their beautiful Jaguars, plus a wealth of technical information all of which we wish to share with you as a member.

What does JCCWA offer you?

If you have either a passion or interest in the Jaguar marque and would like to share the camaraderie of our well established club we invite you and your family to join today. Your participation at events and meetings is what you want it to be with no expectations from the club.

As a Member you will benefit through:

- The club having many members and sponsors who can assist with your Jaguar issues.
- Attending the monthly General Meeting where you will get to socialise with other like minded Jaguar people in the ambient surroundings of our licensed club rooms.
- Receiving a copy of the club's magazine *Jaguars West* in both digital and printed formats.
- Access to the club's Facebook page www.facebook.com/groups/JCCWA/ and Members Section of the website www.jaguarclubofwa.com.au

- Participating in monthly runs. One thing you can be sure of is our runs have members socialising and enjoying a good time. Runs usually involve a drive to some scenic location where we enjoy a picnic lunch, bbq or maybe dine at a restaurant.
- Regular track education and competition days plus technical evenings on all things automotive especially Jaguar. Most popular with the sporty and technical types.
- Displaying your Jaguar regardless of condition or type. JCCWA holds various events during the year including its annual display day where the whole club combines to display their pride and joys.
- Guest speakers who, throughout the year, speak on a variety of interesting topics not only Jaguar related.
- The club having six model registers plus two regional registers. So no matter where you live or what model Jaguar you drive there is always someone to support your interest.
- Having a club that is family friendly through functions and events that are specifically related to ladies and children.
- The opportunity to attend the annual Australian Jaguar Car Club's National Rally where clubs combine for sporting, social and display events in a different State each year.
