

31st ANNUAL BRITISH CAR DAY GINGIN

MAY 16,
2021

For those Jaguar owners attending and displaying their vehicle at the 2021 Gingin British car day, there will be some alterations to the vehicle display layout. Due to work on our usual location the Jaguar, Bentley, Aston Martin, and Alvis display vehicles will be relocated to an area just over the Gingin Brook, in a northerly direction along Weld Street, between the Gingin Brook and the Anglican church.

Access to the Jaguar display area will be off Weld Street, down the side and around the back of the Anglican Church.

Again, marshals will be in attendance to direct attendees.

We ask that the enthusiasts affected by these changes show consideration and patience, when moving to their new display areas.

Enquires to Luke Zambotti, Mob: 0409 100626
